EVENTS

Weddings are full of **LOVE & PASSION** so let us bring the **LOVE & PASSION** to your food.

We pride ourselves in creating a unique wedding day dining experience using the freshest local produce to tailor a menu to suit our clients individual needs making everything from the cured meat you eat to the salt on our housemate bread.

A large majority of the produce served on the day comes directly from our very own 50 acre farm in Yallingup Siding and prepped inside our off grid kitchen to create the lowest food miles we can.

From a relaxed informal event to an extravagant feast, Tiller Events caters for any event big or small and can tailor a unique package to suit your day using only the freshest local ingredients

direct from the farm and surrounds. Packages are inclusive of mobile kitchen and all food service staff.

We like to discuss specific menus closer to the day so that we can utilise what is in abundance on our farm at the time and create something that is unique to your day however we do have set menus if you have no idea where to start.

Below are a few samples to give you an idea of our style of food and if you complete our [online form](#) we can put together a proposal for your special day.

Big Love

The Team @ Tiller

FAQ

Below are some of our most frequently asked questions.

What's Included?

Included in our price per head is GST, our chefs, food service staff plus one of mobile kitchens that come along with us to each event. Also included is travel within the local surrounds.

Are plates & cutlery supplied by Tiller Events?

No, but we can recommend some great suppliers for this if you would like.

Do you offer a choice menu on the night?

We don't offer a choice on the night as this leads to a wastage of food which goes against our ethos. If you want to provide choice on the night we recommend going for a Banquet Feast menu over an Alternate Drop style menu.

Is it possible to personalise our menu?

Yes Tiller Events prides itself on personalising your wedding menu by adding a twist or creating a dish that represents you both in food. You will meet with our team 3 months prior where they will help to create something special and unique to you.

Do you supply vendor meals?

Yes we supply vendor meals at a rate of \$55 per person.

Are prices based on a minimum number of guests?

Yes all our pricing is based on a minimum of 70 guests anything below this will be charged at our intimate wedding rates.

Tastings - Can we do one?

We don't offer tastings however we do host a number of events through winter which you can come along to. Please let us know if you'd like to be added to our mailing list.
